Reasons for the revision

For fiscal 2015, profit attributable to owners of parent will exceed the previous forecasts mainly due to decrease in the Company's tax expenses because of the tax losses transfer from a consolidated subsidiary, Shin-Hokkai Steel Co., Ltd., to the Company upon completion of the subsidiary's liquidation.

The above forecasts and other descriptions in this release are based on the information that the Company has currently obtained and on certain assumptions deemed reasonable as of the date of this release. Actual results may differ from these forecasts due to various risks and uncertainties.
