Extreme
Toughness

ABREX™

START
BOOK

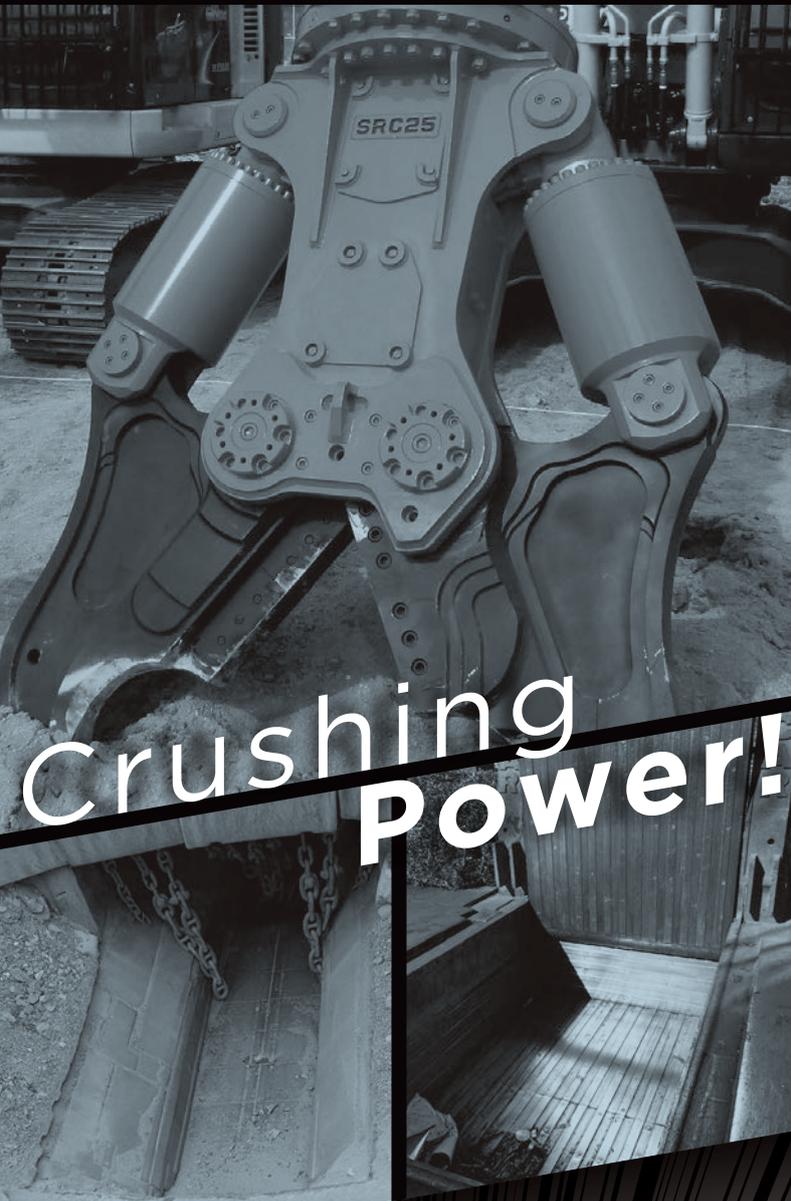

The Absolute Champion.

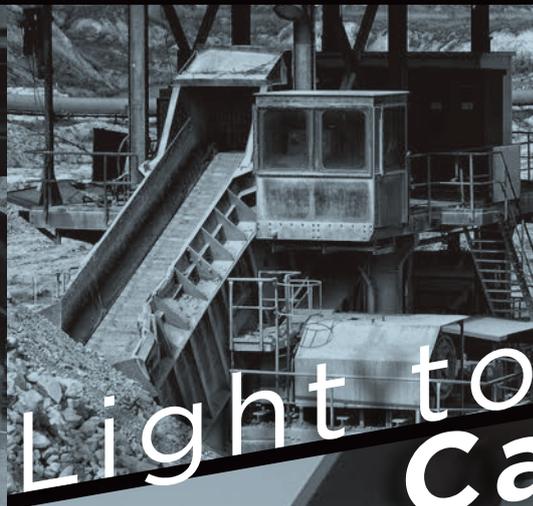

Toughness Made in Japan
ABREXTM

The toughness of ABREX makes it the absolute champion. With technical capabilities forged by NIPPON STEEL, it not only has the strength essential for abrasion-resistant steel, but is also highly suited to processes such as bending, welding, and cutting, and boasts a massive product line-up to meet all worksite needs.

Seeking to be the absolute champion of abrasion-resistant steel,
ABREX responds to all needs with the motto:
"Never dented, never broken, never ground down."

Crushing Power!

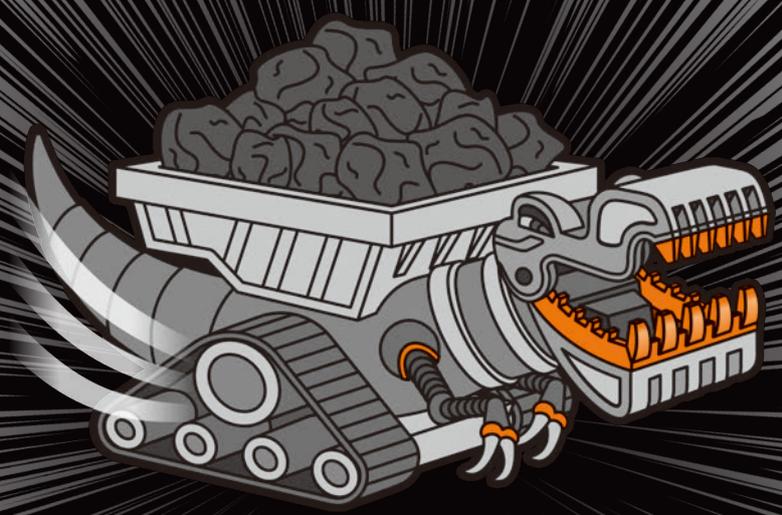

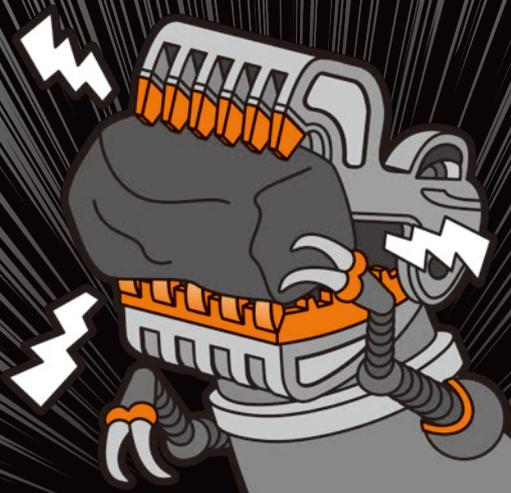

Light to Carry!

ABREX achieves 2-5 times better abrasion resistance than mild steel!!

Using thin-but-tough ABREX enables huge weight savings!!

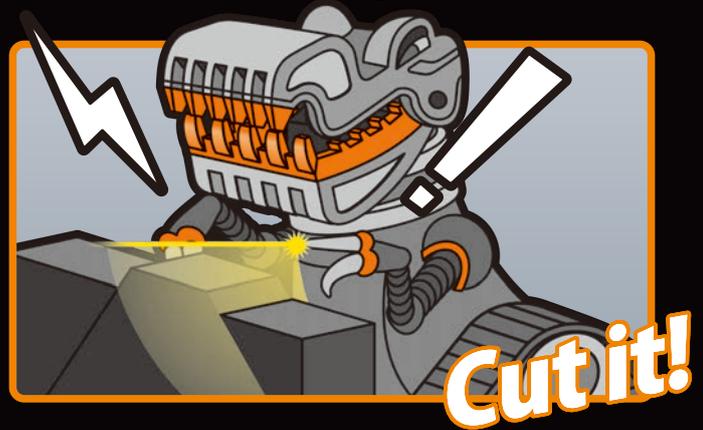

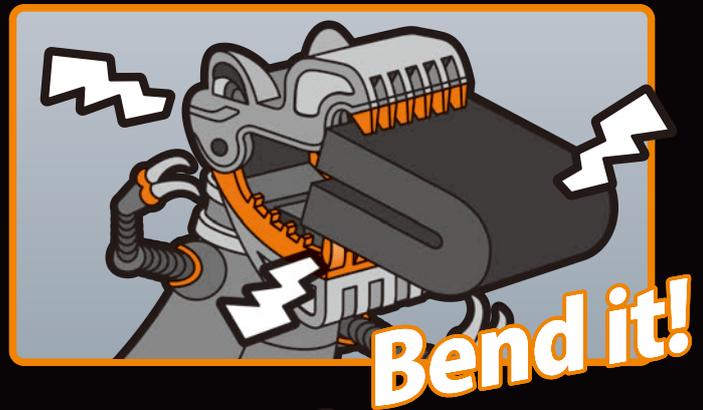

Spectacular Performance!

ABREX is tough enough to produce strong performance in all kinds of harsh environments!!

ABREX is Great!
